

INDIGENOUS WORKPLACE SERVICES

YOUR TRUSTED PARTNER FOR DIVERSE WORKPLACE SERVICES

CAPABILITY STATEMENT

IWS offers a comprehensive suite of workplace services designed to empower your organisation and contribute to the economic inclusion of Aboriginal people in Western Australia.

IWS provide a seamless combination of commercial cleaning, washroom services, pest control, and textile rental, to businesses of all sizes. Giving you peace of mind knowing your entire workplace is well-maintained and hygienic.

Why Choose Indigenous Workplace Services?

Local Expertise

- We are a registered Aboriginal Business, committed to creating employment opportunities for Indigenous Australians in Western Australia.
- Partnering with the established SWS Group allows us to leverage their diverse service offerings across Western Australia.

Proven Track Record and Seamless Integration

- IWS (established in 2022) is a dynamic, Indigenous-owned business committed to providing exceptional workplace services across Western Australia. We leverage the established infrastructure and diverse offerings of the SWS Group, while fostering a strong social mission.

- Our team draws on extensive experience from various service areas within the SWS Group, guaranteeing immediate impact and expertise.

Dedicated Leadership

- Bruce Rudeforth, a Yawuru Ngarluma man with a distinguished background in resources and workplace services, leads IWS.
- His combined experience and commitment to client satisfaction ensure we exceed your needs and build strong, lasting partnerships.
- Our core commitment lies in building partnerships with organisations while expanding employment opportunities for Aboriginal people in WA.

IWS - Committed to Delivering Quality, Efficiency, Reliability, and Sustainability

At IWS, we are committed to exceeding your expectations by focusing on these core competencies.

Quality: We deliver exceptional service that meets the highest standards, ensuring consistent and positive outcomes for your organisation.

Efficiency: We optimize our processes to deliver solutions promptly and cost-effectively, minimising disruption to your workplace.

Reliability: You can depend on IWS to consistently deliver on our commitments. Our proven track record and experienced team guarantee results.

Sustainability: We prioritise environmentally friendly practices and social responsibility in everything we do.

Indigenous Employment:

Expanding opportunities for Aboriginal people in Western Australia is at the heart of our mission. While expanding employment opportunities for Aboriginal people in WA.

Trust and Transparency

IWS is a proud member of Supply Nation and the Aboriginal Business Directory WA, demonstrating our commitment to meeting both corporate and community expectations as an Indigenous business.

By selecting IWS, you gain a partner dedicated to your success and the advancement of Indigenous employment in Western Australia.

IWS - Promoting Cleanliness, Safety, and Indigenous Opportunity

IWS is committed to providing comprehensive, integrated hygiene solutions for your workplace. We ensure your business operates in a clean, safe, and healthy environment, while simultaneously supporting Indigenous economic empowerment.

Leveraging SWS Group Expertise

Our service delivery is powered by the established infrastructure and proven processes of the SWS Group, and their hygiene delivery businesses Cleanpro, Cleantex and Pestpro. This strong partnership allows IWS clients to benefit from a comprehensive suite of hygiene solutions, delivered with the efficiency and expertise of a well-established organisation.
